

TEACHER QUESTIONNAIRE
DO NOT SIGN YOUR NAME

Answer any or all of the questions, as you like.

We are working together to establish a liaison between students, teachers, principals, and the school board. By working anonymously, real issues can be brought up and resolved. All groups can be free to express their true thoughts and feelings, thereby providing valuable information for each other. The answers of these questionnaires can be shared with all groups, with possible dialogue ensuing. This creates a community whose goals are in alignment with each other. YOUR VOICE MATTERS.

Be honest and helpful rather than blaming. Use the back of the sheet for more space if you need. YOUR INPUT IS VALUED AND APPRECIATED

6. What would you like to say to your principal that you have never said? School Board?

7. Who or what has made a positive effect in your years of teaching? For what are you grateful?
